Romans 6:15-23

1) In the last two lessons, we've seen that through Jesus' death that he made an atoning sacrifice that saved, redeemed and reconciled us so that we stand justified before God the Father. According to Romans 6:1 and 6:15, what issue was Paul now addressing about this great salvation?

2) Read Romans 6:16-23. How is the concept of slavery used to describe the before & after of our salvation:

Slaves to:

How do we become?

What are the outcomes?

- Sin

(See Romans 5:12)

- Righteousness

3) How does the passage help overcome the viewpoint that salvation through grace gives believers in Jesus license to live however we want?

4) In the Roman world of Paul's day, one could become a slave involuntarily (*as a prisoner of war or for crimes committed*) or voluntarily (*to overcome destitution*). How is the latter situation an apt picture for our faith in Christ for salvation?

How does being a "slave to righteousness" bring freedom to our lives today and in eternity?

5) How then is verse 23 the capstone for the passage?
